PROFESSIONAL SUMMARY

Motivated and reliable Year 12 graduate who graduated from The Ponds High School, NSW in 2025, with experience as a casual Litigation Support Clerk at Law In Order Pty Ltd. Developed strong organisational and administrative skills through managing, sorting, scanning, digitising and securely storing legal documents. Currently undertaking a Diploma of Information and Communication Technology at Western Sydney University and Cisco Networking Academy certification of completion. Eager to gain further professional experience, develop new skills and contribute positively to a team.

CAREER OBJECTIVE

Seeking an opportunity to gain practical workplace experience, further develop my professional and technical skills, and make a positive contribution to the organisation. I am keen to learn, take on new responsibilities and build a strong foundation for my future career in the IT industry.
